Thank You For An Amazing Tour!

The last four weeks were nothing short of incredible. New friends. Familiar faces. This giant traveling family. Memories. Music. And more....

Thanks to our extended family and friends out there, each of the eight beautiful countries we visited felt like home. Your passion, the energy, and belief continue to inspire us across continents and oceans and we thank you so much for that.

We also want to thank everyone who made this tour so successful. We not only benefit from the greatest family of friends and fans in the world, but a stellar crew and an amazing collection of musicians. And if you aren't familiar with some of the bands who we were honored to have opening our shows, please pay them a visit online or at a show near you. Thanks so much to:

And many many many thanks to our favorite ballerinas from the ROYAL BALLET, an amazing gospel choir and our ever-impressive friends from STOMP who helped us make that first Hammersmith show one we will never forget.

This was truly one of the most amazing experiences we've ever had on the road. Not even canceled ferries, delayed trains or the occasional broken foot could put a damper on the last month.

We can't wait to come back, we are so very grateful for the adventure, and we hope to see you soon!

Also, check out an amazing article by KERRANG's Ian Winwood. It's our first ever band cover for KERRANG! and we couldn't be prouder of the story:
